## BUREAU OF ENERGY EFFICIENCY

(Government of India, Ministry of Power)

F.No.17/05/ESCO/SS/07

6<sup>th</sup> May 2008

Mr. Satyajit Vaish,  
Director  
Insta Power Ltd.  
S-19, Panchshilla Park,  
New Delhi

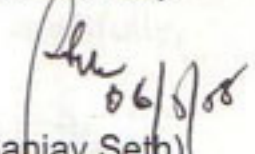

**Sub. : Empanelment of Energy Service Company (ESCO) with Bureau of Energy Efficiency (BEE) – regarding.**

Dear Sir,

This has reference to your application for enlisting as Energy Service Company with BEE in response to our EOI published in national dailies which appeared on 8<sup>th</sup> October 2007.

2. After scrutiny of the documents submitted by you. I am pleased to inform that your company has qualified for empanelment with BEE as an Energy Service Company amongst 37 companies found eligible. This panel of shortlisted ESCOs would be valid for a period of 2 years. BEE would circulate this shortlist among all the Government agencies as well as the State government authorities so that they undertake projects for energy efficiency improvement in existing buildings/ facilities through the performance contracting route.
3. A process of accreditation of these shortlisted Energy Service Companies by independent agencies of CRISIL and ICRA is also under way by BEE. It may also be noted that at the end of two years, the individual ESCO would have to get an accreditation done by SEBI accredited agencies and submit their accreditation certificate to BEE to remain our panel.
4. Your acceptance to this letter may be sent to BEE within **seven days** so as to upload your details on the BEE website as a BEE empanelled Energy Service Company.

Yours faithfully,

  
(Sanjay Seth)  
Energy Economist
